I haven't
met anyone
like Akamaru
before...

Don't
Doubt.

You were
suddenly
so cold in
room..!

This is
bad...
I'm very
happy.

He's so
cute...

Since I was young, I've
always wanted to
know more about
Gothrop Karonel.

I've always
been wondering,

I realized the reason
why I came here...

The fact that
the future
Kosovani gave
me when he
first saw me,

Must have
been be-
cause we
had kissed.

I didn't even
think about
how it's wrong
to kiss him.

The two versions of
Kazuo connected
and became one
person within me.

This is...

My best
birthday
gift...
